Nerve Belfast is one of three Department of Communities funded Creative Learning Centres in Northern Ireland.

It is a welcoming, supportive and fun place where young people, teachers and community workers can explore how new technologies can be used in creative and inspiring ways.

Working with the education sector and the creative industries in Northern Ireland, we are committed to promoting and developing the effective use of creativity and technology in teaching and learning.

Please complete the form below to allow us to make recordings and/or celebrate and share work created.
